|---------------|--|--|
| 09:45 – 09:50 | Connection to the online platform | |
| 09:50 – 10:00 | Greeting | A.L. Krivoschapkin, A.O. Guscha, A.S. Gaitan |
| 10:00 – 10:20 | Radiologist and neurosurgeon – an inseparable tandem. | Gustova I. A. |
| 10:20 – 10:40 | Differential diagnostics of focal lesions of the spine. | Matrosova M.S. |
| 10:40 – 11:00 | Radiofrequency ablation as an effective minimally invasive procedure for the treatment of facet Joint Disease. Experience of the University of Salamanca. | Roa J.C. (Spain) |
| 11:00 – 11:20 | Modern approaches to the treatment of vertebrogenic pain syndromes according to the recommendations of the International Association of Neurosurgical Societies. | Guscha A. O. |
| 11:20 – 11:40 | Back pain: modern diagnostic and therapeutic aspects. | Makhinov K. A |
| 11:40 – 12:00 | Discussion | A.L. Krivoschapkin, A.O. Guscha, A.S. Gaitan |
| 12:00 – 12:20 | Thoracoscopic treatment of vertebrogenic pain in the thoracic spine. | Kivelev Yu. V. (Finland) |
| 12:20 – 12:40 | Problems of surgery of degenerative diseases of the spine in the era of high technologies. | Krivoschapkin A. L. |
| 12:40 – 13:00 | Transforaminal epidural blockades as a tool for a balanced approach to the treatment of intervertebral disc herniations. | Savitsky I.D. |
| 13:00 – 13:10 | DiscFx technology for the treatment of herniated discs. | Kolyvanov V.M. |
| 13:10 – 13:30 | Discogenic pain syndrome. | Abakirov M.D. |
| 13:30 – 13:40 | Discussion | A.L. Krivoschapkin, A.O. Guscha, A.S. Gaitan |
| 13:40 – 14:00 | Perineural cysts. Refrain not to operate is right. Where do we put the comma? | Putilina M.V. |
| 14:00 – 14:20 | Local diagnostics and injection therapy of musculoskeletal origin back pain. | Zhilyaev E.V. |
| 14:20 – 14:40 | «Hip-Spine» syndrome. | Nurmukhametov R.M. |
| 14:40 – 15:00 | Intraoperative imaging in spinal surgery: Swiss experience. | Chesnulis E. (Switzerland) |
| 15:00 – 15:20 | Surgical treatment of foraminal stenosis of the cervical spine. | Klimov V.S. |
| 15:20 – 15:40 | Discussion and closing remarks | A.L. Krivoschapkin, A.O. Guscha, A.S. Gaitan |

CHAIRS/MODERATORS:

Guscha Artem Olegovich MD, professor of the Russian Academy of Sciences, head of the neurosurgery department of the Federal State Budgetary Scientific Institution "Scientific Center of Neurology", president of the national Association of vertebrologists

Krivoshapkin Aleksey Leonidovich Corresponding Member of the Russian Academy of Sciences, Professor, Head of the Department of Neurosurgery and Neurology with a Course of complex Rehabilitation at RUDN, Chief Researcher of the Research Department of Angeoneurology and Neurosurgery at the Institute of Oncology and Neurosurgery at the E.N. Meshalkin National Medical Research Center, Rector of the EMC Medical School, Head of the Neurosurgery Department at the JSI "European Medical Center"

Gaitan Aleksey Sergeevich PhD, neurosurgeon, JSI "European Medical Center", associate professor of the Department of Neurology and Neurosurgery with a course of comprehensive rehabilitation of the Faculty of Medical Sciences of the Peoples' Friendship University of Russia

LECTURERS:

Juan Carlos Roa MD, PhD., Professor of Neurosurgery, University Hospital of Salamanca (Spain)

Chesnulis Evaldas Professor of Neurosurgery (Switzerland)

Abakirov Medetbek Dzhumabekovich MD, professor of the Department of Traumatology and Orthopedics, RUDN University

Gustova Irina Aleksandrovna PhD, CT/MRI diagnostics specialist, JSI "European Medical Center"

Guscha Artem Olegovich MD, professor of the Russian Academy of Sciences, head of the neurosurgery department of the Federal State Budgetary Scientific Institution "Scientific Center of Neurology", president of the national Association of vertebrologists

Zhilyaev Evgeny Valerievich MD, professor, rheumatologist, deputy chief physician for medical work, JSI "European Medical Center"

Kivelev Yuri Vladimirovich PhD, neurosurgeon, JSI "European Medical Center", Associate Professor, Staff Neurosurgeon, Neurosensory Department of Neurosurgery, Turku University Hospital (Finland)

Klimov Vladimir Sergeevich MD, PhD, neurosurgeon, JSI "European Medical Center", Professor of the Department of Neurology and Neurosurgery with a course of complex rehabilitation of the Faculty of Scientific and Medical Education of the Peoples' Friendship University of Russia

Krivoshapkin Aleksey Leonidovich Corresponding Member of the Russian Academy of Sciences, Professor, Head of the Department of Neurosurgery and Neurology with a Course of complex Rehabilitation at RUDN, Chief Researcher of the Research Department of Angeoneurology and Neurosurgery at the Institute of Oncology and Neurosurgery at the E.N. Meshalkin National Medical Research Center, Rector of the EMC Medical School, Head of the Neurosurgery Department at the JSI "European Medical Center"

Matrosova Maria Sergeevna CT/MRI diagnostics specialist, JSI "European Medical Center"

Makhinov Konstantin Alekseevich neurologist, JSI "European Medical Center"

Putilina Marina Viktorovna MD, neurologist, professor of the Department of Neurology, Faculty of Continuing Professional Education, N.I. Pirogov Russian National Research Medical University

Nurmukhametov Renat Madekhatovich PhD, Head of the Traumatology and Orthopedics Department of the Central Clinical Hospital of the Russian Academy of Sciences, Associate Professor of the Department of Neurology and Neurosurgery of the Faculty of Scientific and Medical Education of the Peoples' Friendship University of Russia

Savitsky Igor Dmitrievich PhD, neurosurgeon, JSI "European Medical Center"
